**SUBJECT: Cumberland Basin Boat Day, Cumberland River Mile 193.7, Right Channel**

The Cumberland River Basin group will be conducting a one day boating safety exercise adjacent to Shelby Bottoms at the subject location on July 12, 2008. The event will take place from 9:00 am until 1:00 pm. They will be conducting rowing training along approximately 200' of the channel.

The US Coast Guard Auxiliary will be providing patrol services for safety along with other designated boats. Marine radio communications will be present for all traffic.

Pilots on all vessels are urged to exercise caution when transiting this reach of the waterway.

FOR THE DISTRICT ENGINEER:

  
JEFFREY D. ROSS  
Chief, Navigation Branch  
Operations Division
